

Home Learning Plans – September 2020

During this difficult time, our primary aim is to ensure the safety and wellbeing of our staff, pupils and families. We understand a school or class closure is inconvenient and will impact families in different way. Within this in mind, we do our best to ensure school remains open where possible. However, we understand there may be times that some children cannot be in school for a period of time. This document demonstrates what would happen in different circumstances on an individual and class basis. Please familiarise yourself with the information below in order to best support your child if we had to close for any reason.

Children unable to come to school due to:

- Waiting for test results for themselves or somebody in their household.

1. Signpost families to online resources – Oxford Owl eBooks, Times Table Rockstars app, BBC Bitesize resources, Oak National Academy, White Rose Maths.
2. CGP books passed to individuals isolating after October half term to subsidise online resources whilst isolating for a short time.

Children unable to come to school due to:

- Bubble closed for 14 days following a positive test result.
- Being advised to isolate by NHS Track and Trace.
- Quarantining after returning from abroad.
- Unable to come to schools due to a sibling being in a closed bubble.

Children unable to come to school due to:
