WELCOME TO LYFF!

Welcome to LYFF 2023, where you can explore a world of cinema and movie related activities for the whole family.

The films we select as part of our programme are often award winners in their own countries and have huge crowds going to watch them. We want to share these with you at LYFF because we're also really passionate about giving you the chance to see children's lives from new places and in other cultures.

We're delighted to be reaching more young audiences with the support of the BFI, awarding funds from the National Lottery.

www.leedsfilm.com

We are screening a range of fantastic short films across the City during LYFF in partnership with Refreshing Films who have put together the Cinemini project. These include a variety of European heritage and art films, animations, abstract films, black and white and hand-coloured films.

They are free to watch at Leeds Art Gallery, Leeds City Museum, Millennium Square Big Screen and Kirkgate Market at various times during the dates of the festival.

We will also be showing these films in the Carriageworks on Friday April. Leedsfilm.com for more info.

We know that you can't always do this in a regular cinema but Leeds Young Film Festival is no ordinary cinema. We want you to be part of our team, helping us find and shout about the the best films out there! So, as part of your Movie Club session, you'll get a chance to talk to us about the film you've watched and tell us what you thought.
