

## Parent Questionnaire

As part of our aim to include parents as much as possible we would be grateful if you could answer the following questions. Please return it and put it in the box at the main office.

### Parents' Forum

We are considering starting a parents' forum. This is for parents who would like to be part of a small group who meet regularly with members of staff to discuss current issues that affect parents. It is a chance for an open discussion to gain your views and hopefully find ways forward to help our school develop.

I think this is a good idea. Yes  No

I would be interested in joining a parents' forum. Yes  No

### Halal Option

We are aware some parents have asked if we provide a Halal option at lunchtime. We are looking into this and working with our lunch provider to see if we can start doing this. We first need to know that there would be enough people interested.

I would want the option available for my child. Yes  No

### After School Club

We are aware that the changes to the after school club booking system do not suit everyone. However we do need a new system that allows us to know how many children we have in the club in advance to ensure the safety of the children. We can only have a limited number of children due to the staffing ratios. Please write in the box if you have any ideas about how we can manage this.

Do you think that after school club is priced correctly? Yes  No

If no how much do you think it should be per night?
