

St Bart's Quick Guide To: **Emile**

Children in Years 5 and 6 will be expected to complete some of their homework on Emile. 'Learn with Emile is an online resource and app.' This means your child has free access to this resource.

What homework will be set on Emile?

Grammar, punctuation and Maths.

Children will be set homework on a Monday and will be expected to complete the homework by the following Monday. Children need to get 75% of the task/questions correct—this will be presented as a green outcome.

Phone calls home will be made to families of children who persistently do not do homework.

Homework Club

There will be a homework club every Monday lunchtime for children in Years 5 and 6 to have the opportunity to do homework during the school day.

What does Emile involve?

The resource works by students being assessed and then allocated games and activities at their level, so there is no reason for anyone to become discouraged.

TAMAGOTCHI

Every student gets a Tamagotchi to look after and customise using points and coins earned by improving their level and playing games.

How to get access to Emile at home?

The app can be downloaded for nearly all devices (including mobiles) from here:

<https://emile-education.com/app-downloads/learn-with-emile-app-download/>

or

from the Microsoft, Google Play or Apple Stores – it's called "Learn with Emile".

A web version can also be accessed using a browser:

<https://web.emile-education.com>.

Username and password

Your child's **username** and **password** can be found in your child's planner.
