

ACT IT OUT

Can you recreate the story you've read at home using a range of props and materials to set the scene? Can you do certain actions such as jumping, walking on the spot, miming or climbing etc. to remember different characters?

EXTREME READING

Can you take a photo reading in extreme, funny or unusual places? Try Google and search 'extreme reading' for some inspiration. Take a photo and send it to us! (Of course be sure not to do anything *too* dangerous!).

Reading Challenges

#SELFIE COMPETITION

Could you take a photo of yourself reading at home?

Email them back to school and we can guess the reader!

CHARACTER DRAW

Describe and draw a book character to someone who then has to guess who you are drawing.

NIGHT TIME STORIES

Or maybe you could curl up with a book and read to someone at home. Get a warm drink and maybe some treats for you both to enjoy as you read.
