Special Educational Needs and Disabilities Information Advice Support Service

Leeds SENDIASS workshops

We are running a number of virtual workshops for parents and carers based around the topics we are asked about most frequently.

The workshops will be presented by our experienced officers. The aim of the sessions is to give information, advice and support to parents and carers, and to explain processes clearly. There will also be an opportunity to ask questions and request support materials such as guides, fact sheets and FAQ sheets.

If you would like to attend, please send an email to leedssendiass@leeds.gov.uk to book a place and include **your name, postcode, contact number, child's age, and their SEN/diagnosis**. Alternatively call our advice line on 0113 3785020.
