"Excellent attendance is vital for children to flourish and achieve"

July 17th 2024

Dear parents and carers

Leeds School Streets - Restricting traffic outside St Bartholomew's Primary School, September 2024.

We are writing to let you know that Leeds City Council in partnership with the school are introducing a 'School Street' zone that will be in place from September 2024. An Experimental Traffic Regulation Order (ETRO) is being put in place for an 18-month period to restrict traffic at drop-off and pick-up times on Strawberry Lane. Please see map overleaf. If successful, this ETRO could become permanent.

The restrictions will start on 9th September 2024 between

Morning: 08:15 — 09:00

Afternoon: 15:00 — 15:45

You will only be allowed to access the street by car/van if you have a permit or you are a blue badge holder.

The aim of the School Street is to support you, your children and our school community stay safer, be more active and social during the journey to/from school. They can also help to improve air quality and reduce congestion in the surrounding area.

Thank you for your cooperation and for helping to create a safer and more active school community.

You can find out more about School Streets at www.leeds.gov.uk/schoolstreets

Yours Faithfully

J Wainwright
