What happened?

- Introduction to school council and the role it has in the school.
- Discussed the focus of ideas we want to implement - charitable events e.g. Christmas Jumper Day and schools carbon footprint.
- Tobi came up with an idea to take forward - introduce recycle bins in each class for waste paper.
- Michael suggested ideas to reuse things in class rather than throw them away.
- Children asked to search for ideas to help reduce the carbon footprint of the school and find any future charitable days we can organize events for.
