What happened?

It's been brought up that school council should be after school so we get more time and research done. It would be around 12:30 and letters will be sent out. This is also so Y6s won't be pulled out of lessons. Mr Waiddell came and we started talking about the Healthy Eating Monitors. We would need 9 people from each group and 1 time for 9 weeks. Someone will have to ask Mrs Wrainwright if she can move the Friday assembly to the morning on Christmas Jumper Day. We will also have to ask her who will be getting tired out of the teachers. Yelyzaveta and James will ask Mrs Wrainwright.

Actions for next meeting

We will talk about Climate Change next meeting
