

## Code of conduct for the acceptable use of ICT Year I and Year 2 Pupils

The school uses ICT to help me with my learning. The school does its best to keep me safe when I am using ICT. This is part of my learning about E-Safety.

## I understand that

- The school makes these rules so as to be fair to everyone.
- The school will keep a record of everything I do on the school computers.
- If I deliberately break these rules I will get into trouble.

## I\_will

- Always ask permission from a member of staff before
  I use any ICT equipment in school.
- Use school ICT in a sensible and responsible way.
- Only use my own username and password when I log on to a school computer.
- $\bullet$  Tell a member of staff straight away if I accidentally do something that I know I am not supposed to do with school ICT equipment.
- ullet Tell a member of staff if I see anything on a school computer that upsets me or I do not like.

## I will not

- Use a mobile phone at school.
- Deliberately use ICT to cause harm or be nasty to another person.
