

<p>Art</p> <p>Can you create a sculpture at home? It could be out of clay, tin foil, wire... get creative!</p>	<p>English</p> <p>This term, we are reading stories by William Shakespeare. Can you research any information about him?</p>	<p>Maths</p> <p>Can you 'go green' on times table rockstars and show off that you have learnt your tables in under 4 seconds?</p>	<p>Science</p> <p>Can you find 5 items at home that have a lot of friction and 5 items that don't?</p>
<p>RE</p> <p>Can you draw a comic book to explain a religions creation story?</p>	<p>Homework challenges Year 3 – Summer term</p> <p>These activities are all linked to our topics we cover in the Summer term. It would be lovely to see children completing some of these at home, either independently, or with some support. Please bring them in to show your teacher, and you will be awarded extra Trackit points for your efforts!</p>		<p>Geography</p> <p>Can you create a poster explaining the different ways we can get energy?</p>
<p>History</p> <p>Can you create a portrait of Henry VIII? Use any materials you have at home.</p>			<p>DT</p> <p>Can you practise sewing something? If you had some old materials, you could make a pattern.</p>
<p>Music</p> <p>Could you write a song about living more sustainably? It could be about reducing electricity.</p>	<p>PE</p> <p>Practise your throwing and catching skills ready for when we learn about rounders.</p>	<p>PSHE</p> <p>We are looking at careers, could you research what different jobs earn?</p>	<p>French</p> <p>Make a poster about the days of the week or colours.</p>
