

# Year 1 Learning Challenge Book

Name: \_\_\_\_\_

## Learning Challenges

This is your child's learning challenge homework book. Each half term there will be 4 different challenges for children to complete. These challenges are designed to extend children's learning of the wider curriculum and provide further opportunities for home learning.

These activities are completely optional and children can do as many as they would like to.

Children will receive reward points for any tasks they choose to complete. Please hand the book in once an activity has been done. This will be handed back out again once the teacher has seen the fantastic work that your child had completed.

# Spring Challenges

## Challenge 1

In PSHE we have been thinking about playground games and being active. Your challenge is to play an active game and then write about how you felt after it.

## Challenge 2

You have read all about Robert Falcon Scott and his trip to Antarctica. Your task is to write 3 sentences about him.

## Challenge 3

In Science you have been learning about animals. Can you draw a picture of an animal and the food they would eat. Will you draw a carnivore, herbivore or an omnivore?

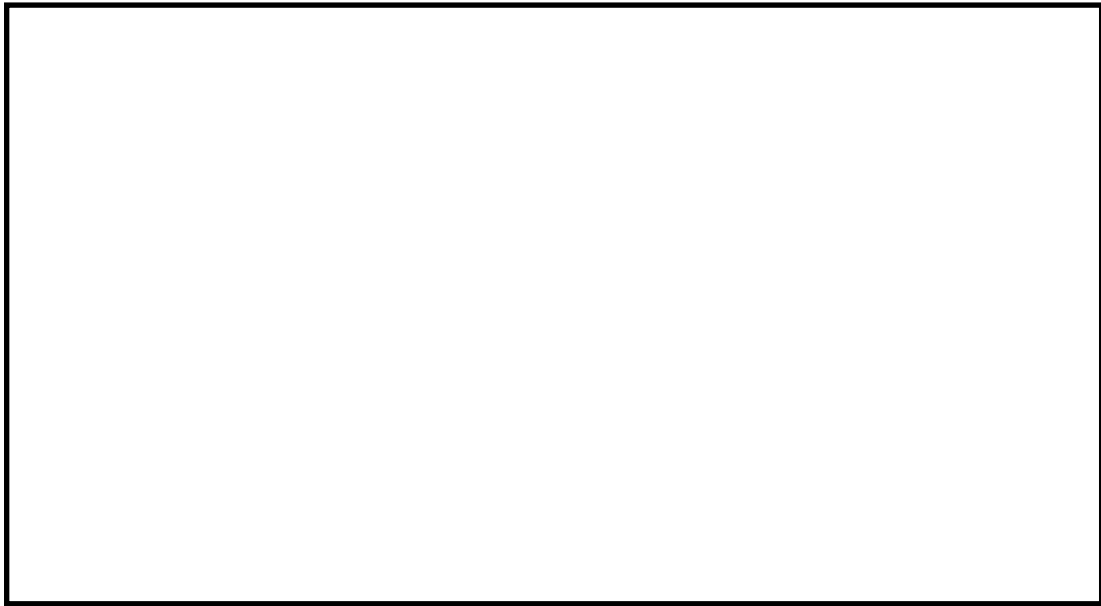

## Challenge 4

We have been learning about the seasons throughout this year. Your challenge is to draw a picture of a tree in your local area and say if it is evergreen or deciduous.

Challenge 1

Playing an active game

Draw a picture of the game  
first.

How did it make you feel?
