

# Year 1 Learning Challenge Book

Name: \_\_\_\_\_

## Learning Challenges

This is your child's learning challenge homework book. Each half term there will be 4 different challenges for children to complete. These challenges are designed to extend children's learning of the wider curriculum and provide further opportunities for home learning.

These activities are completely optional and children can do as many as they would like to.

Children will receive reward points for any tasks they choose to complete. Please hand the book in once an activity has been done. This will be handed back out again once the teacher has seen the fantastic work that your child had completed.
