Parent Forum

Until the situation with Covid has improved we do not feel it is the right time to start a Parents Forum. This is something I am keen to start but we will wait until we are not so affected by Covid.

In the meantime we will be sending a series of short surveys over the next few months asking about different areas of school. Hopefully after Easter we can look at a forum in school. We value the views of parents and appreciate you completing and returning the surveys.

Over the last two years we know how all families have been impacted by Covid and some are struggling in this difficult financial climate. We are looking at how we can support those who need it where we can. We are considering setting up a Baby Bank and extending our second hand uniform provision.

Please answer the questions below and return it to your child's class. Thank you.

Baby Bank
