"Excellent attendance is vital for children to flourish and achieve"

Dear Parent/Carer

We are having live Christmas performances again this year. Due to the number of people it is safe to have in the hall, we must restrict ticket numbers. We will provide up to two tickets per family, under 3's must sit on a parent's knee. We will not be allowing school age children to attend these events including high school children.

Please complete the form below and return it to class by Friday 2nd December. Any request after this date will only be issued a ticket if we have any tickets left.

Please be aware that anyone arriving once the performance has started will not be allowed in.

Recordings of the performance will be done by school and put on the website. This is to ensure children who do not have their photos put on social media or the website can be removed.

For this reason, we will not be allowing filming or photos on the day. We thank you for your cooperation with this.
