Dear Parents / Guardians

We are very excited to share that there will be a mobile farm coming into school on Friday 24<sup>th</sup> of March for classes 3,4,5,6 and 7. There will be a range of real animals for children to meet throughout the day including guinea pigs, ducks, goats, rabbits and alpacas. The children will learn about how to care for the different animals and about the running of a real farm. There will also be a mechanical cow for children to experience milking. This will enable children to gain real life experience and will be used to bring the farmyard to life so they are able to write about it in English.

In order for the visit to take place we are asking for a voluntary contribution of £4 towards the cost of the farm.

We hope this will be an exciting experience for the children. If you have any questions please see your child's teacher.

Yours faithfully

Mrs L McCaffrey

Assistant Head
