11th June 2020

Dear Parent/Carer,

We hope you are all well and continue to manage this very difficult situation. If there is anything you would like to discuss or if we can support you with anything please contact school.

Remember if your child or anyone in your house develops symptoms of COVID19 they must stay away from school and must be tested, using the track and trace system. School can help you with this if needed. You must inform school if anyone in your household has symptoms.

Reminder – Social Distancing

We are currently expected to follow social distancing guidelines and this includes the journey to school and out of school. Please discuss this with your children as not following the government guidance could result in your child's place in school being withdrawn as it increases the risk to other children and staff.

Work packs

If your child is not in school at the moment or cannot access the online resources the next home working pack will be available from Monday. To save us copying too many copies and wasting them you must call school first to order one and the office will arrange with you when you can pick it up.

Wider opening to more children

As you will have heard the Government have decided that not all children will be returning to primary school before summer. We have had calls from parents about what is going to happen now. We are currently awaiting further guidance and will update you as soon as we know and share any plans for inviting more children into school.

If your children are in nursery, reception, year 1 or 6, or you are a key worker and they are not currently attending school please call school if you want them to start and we can arrange this. Once we are full in classes this may not be possible.

We will also inform you of the plans for September as soon as we can but this decision currently rests with the Government.

Summer holidays – I would like to inform you that we will not be running any play scheme provision over the summer. I know this is not convenient for some of you however, we have decided to take this opportunity to complete some much-needed work around school and the playgrounds.
