September 2024

Dear Families,

Your child has been chosen to attend a visit to Maths City in Leeds on Tuesday 5th November. Maths City is a mathematical discovery centre, and is an interactive space in which visitors will enjoy and appreciate the power and importance of mathematics as a tool for understanding the world in which we live in.

There is no cost for the trip. The trip will leave school at 9am, so it is important that your child is in school on time. The trip will involve us walking in town, so please ensure children are dressed appropriately. We will be returning to school for lunch, so your child will have their usual arrangements. If you have any further queries or questions, please don't hesitate to contact me.

Miss D Christie.
