22<sup>nd</sup> January 2021

## **Well done**

Just to commend the children on how well they are doing in school. It is a very strange time but the children are coping with the additional rules and restrictions.

## **Staying at home if anyone in your house displays symptoms**

**You must follow the rules about isolating to keep the children, staff and wider community safe. Do not send your children to school if they or anyone living in your house or anyone they have had close contact with has symptoms and has had a test. They can only return after a negative test result or after 10 days if the test is positive.**

## **Reporting suspected or positive cases at the weekend**

If your child has been in school and becomes ill at the weekend and goes for a test or receives a positive test result we need to know. To ensure you can contact us at the weekend we are including two numbers you can call to do this on a Saturday and Sunday.

1. Mrs Wainwright            07793988653
2. Miss Lawson                07736635403

## **Play scheme**

Letters have gone out to critical workers. Places are limited due to the restrictions and staffing so please only request a place if you have no other childcare. Thank you

Breakfast and after school club are currently open for the children of critical workers who normally attend.

## **Reminders**

- Children need to wear clean clothes each day, this does not have to be uniform but must be suitable for the school environment and can be layers that can be taken off/put on depending on the temperature in the classroom.
- Children must be collected between 3-3.10pm unless they normally attend after school club
- We expect children to be in school, if they are not attending please contact school and let us know the reason. If we do not hear from you, we have to follow it up with calls and home visits. This is taking up time when we should be supporting the children.
- All money for school dinners, breakfast club and after school club must be paid in advance on the Monday of each week.

**The government guidance still is if you are a critical worker and your child can be cared for at home, they should be and they should not be attending school.**
