

ST BARTHOLOMEW'S NEWS

25th September 2020

Dear Parents/Carers,

Firstly thank you for your understanding, patience and support in what has been a very challenging week for our whole school community. Unfortunately, schools and families across the country are facing the same challenges.

It is still vital that if your child is well and does not have to self-isolate that they come to school. As a parent myself, I appreciate how worrying these times are but our children receiving an education in school by teachers is still the best thing for them.

Please continue to be vigilant and if your children or anyone in your household develops symptoms, you must all stay at home and obtain a COVID test for those with symptoms.

The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms

To Book a test go to [NHS.uk/coronavirus](https://www.nhs.uk/coronavirus) or call 119

Face Coverings

Please remember that if you need to come into school for anything you must wear a mask or face covering. We recommend one when you come on school grounds at the beginning and end of the day.

Social Distancing

One of the most important ways to protect yourself, your family and others is to socially distance whenever possible. When in the school grounds please do not stand or sit with other parents. You must come at the right time and leave once you have dropped off or collected all your children.

NHS App

The NHS launched its new APP today. This is to help with the Track and Trace system, which is another way that can help keep us safe. You can download this to your phone.

Card Payments

We can currently only accept card payments on a Monday between 7-9am and 3-5.30pm. Please put cash payments in an envelope and give them to class.

If you do not pay on a Monday for places in breakfast club and after school club, your place may be removed, it is vital that you make payments on time. Again can you let us know if you have places or even days you do not need let us know. We have a long waiting list for both. Thank you

What has been happening around school this week:

Nursery - The children settled quickly in to Nursery life, routines are being followed, independence is growing and friendships are being made. We are having a wonderful time exploring and playing in our new playground. The gravel pit is really helping the children's hand/eye coordination as they spoon the gravel into bowls to make cakes in the kitchen. The climbing frame is helping the children's gross motor and reasoning skills as they work out different ways of reaching the slide. The children are enjoying running up and rolling down the hill and playing on the musical instruments. Our theme this half term is 'Ourselves and People who keep us safe'. Please can you send in a photograph of your child either as a baby or with their family.

Year 1 - Have enjoyed learning about the artist Picasso in their art lessons. We have learnt different pencil strokes and looked at the different colours he uses in his work. We have enjoyed making our own abstract portraits with oil pastels. In Maths the children have been looking at 1 more and 1 less. They have completed some excellent practical work in the classroom.

Year 2 - We have begun our new topic on The Great Fire of London. In History we have learnt about the similarities and differences between London in 1666 and London today and the events which caused the fire. We have also begun to explore the parts of a fire engine in Design and Technology to help us to eventually design and make our own fire engines!

Year 3 - Have been reading the story of Little Red in literacy, writing a summary and ordering the story. In Maths, we have been continuing with our place value knowledge. In Geography, we have compared maps of Italy and the UK discovering what is similar and different about the two places. Ask a year 3 pupil what food comes from Italy!

Year 4 – Have been learning about Queen Victoria. We have been creating fact files about her life. In English, we have continued reading 'Oliver Twist' and have been looking at using speech punctuation. In Maths, we have been looking at how we can split numbers up and adding 1, 10 or 100 to a number.

Year 5 - We have enjoyed building on our volleyball skills from last week. In science, we have looked at how the sun affects the seasons. In English, we have started a new storybook about the Titanic.

Year 6 – Lessons - In History, children have been learning about World War 1 and how it influenced the start of World War 2. In English, children have enjoyed reading Anne Frank's diary and writing recounts. In RE, children have played a 'values' game and considered the similarities and differences of the important values, according to each of the world's main religions. Children have also enjoyed learning about the key tenets of Sikhism.

High School Applications

The deadline for High School applications is the 31st of October. Please contact school and ask to speak to Mr Needham if you have any questions regarding the completion of forms online.

Head Teachers Awards:

***Reception: Essam
Year 4: Maja***

***Year 1: N'Khia
Year 5: Dragos***

***Year 2: Sophia
Year 6: Aleena***

Year 3: Sulaiman

The weekly behaviour awards go to:

KS1: Class 5

KS2: Class 21

School Website – Translation Guides

The school website now has a section that contains guides on how to translate the website into another language. At the bottom of the website is a useful links section that contains a link 'Website Translation Guides'.
