

ST BARTHOLOMEW'S NEWS

26th January 2023

This newsletter is a short one to provide a few updates and reminders. We hope you have a great weekend.

- **Training day** – Children are not in school this Friday. We expect to see all the children on Monday 30th January – see our challenge below
- **Industrial action** – We are still hoping to be fully open on February 1st, the first day of industrial action. This may change and we will keep you informed. We will update you on the other days when we can.
- **Number Day** – We will be holding Number Day on Friday 3rd February. Children can wear their own clothes, preferably something with a number on. We are asking for donations of £1, which will go to the NSPCC. On the day, children will be completing some fun number based activities in classes. For KS2, there will also be a Times Table Rockstars competition running from Monday 30th January until Friday 3rd February. There will be prizes for individuals with the highest scores from the week, so please encourage children to practice these at home.

Attendance Challenge – We are setting all the children a target of being in school every day for the last two weeks of this half term. We aim to have the best two weeks attendance since September. For every child who meets this target we will award them 100 Trackit points and they will be entered into a raffle. We are aiming high because children need to be in school to achieve and we think the children can meet this target. Please support your children and the school and help us with this.
