## 2. Policy Statement

St Bartholomew's C of E Primary School seeks to ensure that all its pupils receive an education which enables them to reach their full potential. There is a strong link between good attendance and increased attainment. Pupils who regularly attend school make much better progress socially and academically. St Bartholomew's C of E Primary School aims to work in partnership with parents and other agencies to ensure that every child can get the best out of the educational opportunities provided.

By working in partnership with parents and other agencies, we ensure that we have clear and robust strategies in place to manage and promote regular attendance for all students at St Bartholomew's C of E Primary School

We are committed to a whole school approach to attendance and a partnership relationship with parents and carers.

## 6 Roles and responsibilities

### 6.1 Headteacher

The Head is responsible for:

- Ensuring every member of staff knows and understands their responsibilities for safeguarding and how this links with poor school attendance – ensuring compliance with Keeping children Safe in Education 2023. [Keeping children safe in education - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/keeping-children-safe-in-education-2023)

Will need the latest links updating when published for 2024.

- Developing good support for children with medical conditions (including the use of individual healthcare plans), mental health problems and special educational needs (SEND). Ensuring compliance with Statutory Guidance for governing bodies of maintained schools and proprietors of academies in England December 2015 - Supporting pupils at school with medical conditions - [Supporting pupils with medical conditions at school - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/supporting-pupils-at-school-with-medical-conditions)
- Ensuring every member of staff knows and understands their responsibilities for attendance.
- Ensuring accurate completion of admission and attendance registers.
- Ensuring staff are actively working to maximise attendance rates, both in relation to individual pupils and whole school attendance.
- Having clear processes in place to address persistent and severe absence - pupils who are severely absent may be at risk of CCE/CSE/grooming etc. and this cohort must be made the top priority for action and support. Ensuring all staff are aware of any potential safeguarding issues, ensuring joint working between the school, Children's Social Work Services and other statutory safeguarding partners. Often severely absent pupils have additional needs and therefore it is vital that schools ensure all appropriate services are informed and aware of the pupil's absence so suitable support can be considered, and education provided/accessed.
- Ensuring that all staff adopt a consistent approach in dealing with absence and lateness.
- Monitoring and analysing data and trends.
- Reporting to the Governing Body and Trusts the attendance figures and progress to achieving the set targets.
- Reminding parents of their commitment to this policy.
- Building and modelling respectful relationships with staff, pupils, families, and other stakeholders to secure their trust and engagement. Making sure there is a welcoming and positive culture across the school.
- Open and honest communication with staff, pupils, and families about their expectations of school life and performance so that they understand what to expect and what is expected of them.
- Liaising with other agencies working with pupils and their families to support attendance, for example, where a young person has a social worker or is otherwise vulnerable.
- Sharing information on and working collaboratively with other schools in the area/cluster, LAs, and other partners when absence is at risk of becoming severe or persistent.
- Ensuring the school attendance policy is applied fairly and consistently and recognises the individual needs of pupils and their families who have specific barriers to attendance. Schools should consider their obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child.

  - Monitoring and analysing attendance data regularly to allow early intervention to address issues. This includes, raising concerns with other agencies like children's social care and early help services which are working with families.

- Staff will enter a present mark (/) on the register for each pupil present and an absent mark for any pupil that is absent.

- Staff completing the registers will check if any information relating to the absent child has been added to the register

## **7.2 Responding to lateness**

- Pupils arriving at school between 8.50-9am will be signed in by a parent at the office and then sent to class.
- Pupils arriving in the classroom after 8.50am when the gates/doors have closed are deemed to be late and will be marked as L code. They should be brought in by an adult and a late form completed.
- After 9.20am pupil is deemed to be Late/absent. Any pupil arriving in school after these times will be marked U. In case of emergency the register shows the pupil is on the premises, but they will not receive a present mark toward their overall attendance.
- The school monitors lateness and sends texts to identified children's parents including incidences of lateness and minutes of lost learning.
- Parents/carers will be invited in to school if their child is persistently late to discuss the reasons why and how lateness can be reduced and what the school can do to support the family.

## **7.3 Responding to absence**

1. The school will, where possible, make first day contact with the parents of pupil absent without an explanation or valid reason via a phone call. This will include contacting all the contacts provided on our system for the pupil. This will be initially done by the class support staff and if no contact is made the Attendance Officer/Attendance Assistant will make follow up calls. Any information/reasons for absence parents provide will be logged on the register
2. A home visit will be made where the school has no explanation or is concerned about an absence. For specific identified children/families repeat home visits maybe carried out.
3. If home visit(s) were unsuccessful the school will continue to make contact with the family up to 6pm that evening via home visit/calls/email/text
4. Checks are made using computerised data to identify any attendance concerns including lateness and regular patterns of absence. We also look at children who meet the Persistently Absence (PA) threshold (below 90%) and those at risk of being PA and those who are severely absent (below 50%)
5. The, Attendance Champion (Headteacher), Attendance Officer (DSL) will contact parents when school is concerned about a child's attendance.
