

Healthy Habits

for Warmer Weather

Drink plenty of water during sunny playtimes.

Try eating a rainbow of fruit and veg – each colour helps your body in a different way.

Choose fresh fruit for a snack to stay energised for outdoor activities.

Try one new fruit or vegetable each week. You might discover a new favourite!

Fun Fruit

Fact!

Strawberries aren't actually berries... but bananas are!

Strawberries carry their seeds on the outside, so they don't count as true berries. But bananas do – which means bananas are berries and strawberries aren't!

Children get 2 courses and 2 sides, a trip to the salad bar and bread, with a drink of milk or chilled water for the price of a school meal. We offer three main course choices every day, one of which is always vegetarian, and there are always three choices of desserts (main dessert, fruit and yoghurt) all of which are suitable for vegetarians. Your child can also choose up to 5 portions of fruit and vegetables per day. Where else can you get that value? We also provide menus for diabetics, a gluten free, dairy free and vegan menu, other special diets, and halal meat where required. We are a nut-aware school.
