A very warm welcome to St. Bede's Catholic Primary School

My name is Josie Wilson and I have had the privilege of being the Headteacher here at St. Bede's since September 2023, supported by Laura Cuff our Deputy Head.

Together, we have many years of collective experience in leading schools and in supporting teachers to provide the best learning experiences for the children in our care. Whilst at St. Bede's, it is my aim to build upon the solid foundations laid by previous leaders here, to create a school which is both a place of excellence for the children and a beacon within the community it serves.

We are a Catholic Academy, in the Diocese of Hexham and Newcastle and a member of the Bishop Hogarth Catholic Education Trust. Our school building was opened by the Mayor of Darlington in October 1987 and we currently have 322 pupils on roll (Nursery to Year 6). Gospel values and Trust virtues underpin all aspects of school life at St. Bede's. Each and every child is valued, nurtured, loved and are at the centre of everything we do. St. Bede's has a wonderful and devoted team of staff that are highly skilled, compassionate and dedicated. Our Local Governing Body actively supports the school. We are committed to the highest standards of teaching and learning achieved through a combination of challenge, support, encouragement and praise to ensure that all our children fulfil their true potential.

All are welcome in our wonderful school. Please contact the school office or look on our website so that we can arrange for you to come and look around.

Our curriculum

When pupils leave St. Bede's, we want them to know more, remember more and understand more about the world around them.

We aim for all our pupils to have a secure understanding of the academic content of the curriculum, as well as the understanding of how to be socially, morally, spiritually and culturally responsible.

They will be independent, resilient and confident learners, equipped with the knowledge and values needed to continue their learning journey.

Pupils will have a deep understanding of our school and trust values, and demonstrate these in their behaviour, attitude and actions towards others in their community.

Our pupils will have the ability to ask questions and apply their knowledge to think creatively and critically about what they have learnt, making links and connections which deepen their understanding.

They will have a rich vocabulary and be effective communicators who have the foundations to go on to be successful, life-long learners.

“The school has a culture that is aspirational to pupils and staff.”

Ofsted

“Parents and carers appreciate the care and education that their children receive.”

Special educational needs and disabilities

St. Bede's aims to offer children an educational experience where staff will strive to identify and remove barriers to learning. We create an environment in which every child is encouraged to reach their potential and ensure quality, access and achievement for all.

At St. Bede's, we strive to be an inclusive school. Inclusion is central in the Catholic ethos and values of the school – a philosophy, which covers every child's right and entitlement to the very best experiences education can offer.

Apply for a place at St. Bede's

Starting primary school is a very important time for you and your child, and at St. Bede's we aim to make this a happy experience for everyone. Children can start school in our Reception class in the September of the academic year in which they will be five years old.

To gain a place at St. Bede's, you will need to apply through Darlington Borough Council's website. Please click the link for more information or scan the QR code. Alternatively, you can contact the school office. <https://stbedesdarlington.bhcet.org.uk/information/admissions>

If your child is not already attending our school Nursery, they will be invited to spend some informal sessions with their new teacher and other children from the class in the summer term in order to familiarise themselves with the school environment. An information evening for our new Reception class parents is also held in the summer term.

For mid-year admissions, at other times of the year or for year groups other than Reception, please go through Darlington Borough Council (<https://www.darlington.gov.uk/education-and-learning/school-years/admissions>). We highly recommend contacting the school in the first instance for a visit.

Nursery Admissions

At St. Bede's, we offer a wonderful nursery setting for three year olds. The nursery is open from 8:45am – 3:30pm (term time only) and can be a mix of both government funded hours and private payment. Please visit our website for more information.
