OUR AIMS

AT ST BEDE'S, WE AIM TO EQUIP ALL PUPILS WITH THE SKILLS AND CONFIDENCE TO SOLVE A RANGE OF PROBLEMS THROUGH FLUENCY WITH NUMBERS AND MATHEMATICAL REASONING. CHILDREN ARE ENCOURAGED TO SEE THE MATHEMATICS THAT SURROUND THEM EVERY DAY AND ENJOY DEVELOPING VITAL LIFE SKILLS AND KNOWLEDGE IN THIS SUBJECT.

OUR CURRICULUM THIS TERM

KS1	Place value (within 20) & Addition and subtraction (within 20)
LKS2	Place value & Addition and subtraction
UKS2	Place Value, Addition and subtraction & Multiplication and division.

WHAT HAS BEEN GOING ON?

In **Early Years**, Nursery have been learning all about number 1 and Reception have subitising.

SCHOOL

AUTUMN TERM

WHAT HAS BEEN GOING ON?

In **Key Stage 1**, children have been making the most of the outdoors by using conkers when working on finding 1 more/ 1 less as well as drawing giant chalk number lines on the playground to estimate where numbers go. They have used giant Numicon to find number bonds to 10 with the Year 2s using it to solve 'missing part' questions.

ODD AND
EVENS

In Mastering Number Y1 have recently been consolidating their understanding of doubles whilst Y2 have been reasoning about the composition of odd numbers. Scan the QR codes to access Numberblocks episodes linked to their learning.

FIVE IS
INSIDE

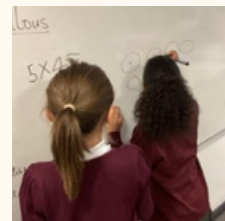

TEN AGAIN

In **Year 3 and 4**, children have been using Base 10 to develop their understanding of Place Value. The manipulatives support children to articulate their understanding, developing their 'maths talk' and it has been particularly helpful when working on flexible partitioning.

In Mastering Number the Year 4s have been developing their understanding of unitising to support them with multiplication.

In **Year 5 and 6**, the children have been using manipulatives to visualise mathematical concepts when approaching complex problems to support them in persevering in solving them.

MATHS AT HOME

To help support your child with maths at home please visit our school website where you can find a wealth of information including a 'supporting your child with maths at home' document and knowledge mats for key learning.

MATHS NEWS

To kick off the epic 'England Rocks' competition at our school, we're throwing a 'Times Tables Rock Stars' Day!

On the 12th November, children can strut their stuff dressed as their favourite rock star and jam out all day with rockin' times tables themed activities.

Get ready to rock those tables, everybody!

ENGLAND ROCKS

12TH -14TH NOVEMBER
7:30AM TO 7:30PM DAILY

PLAY IN ANY GAME TYPE! | 1HR TIME LIMIT PER PERSON!

WINNING CLASS WILL HAVE THE HIGHEST NUMBER OF CORRECT ANSWERS PER STUDENT!

POINTS MEAN PRIZES!

Top 3 Primary age and Secondary age classes (average number of correct answers per player) will receive:

- 1st place: £100 AMAZON GIFT CARD
- 2nd place: £75 AMAZON GIFT CARD
- 3rd place: £50 AMAZON GIFT CARD

GIFT CARD

Date for you diary:

Monday 4th November - 14:30

Year 4 MULTIPLICATION CHECK MEETING
