In **Early Years** the children have been taking part in movement sessions using coloured ribbons. The session involves moving the ribbons to music whilst having lots of fun!

In **Year 1 and 2**, the children have been practicing playing as a group and how it is important to listen to each other. The children have learnt about the different instruments in an orchestra and what they sound like.

MUSIC NEWS/MUSIC AT HOME

Our choir had the honour of representing the school at the annual Mayor's Song Contest 2025. After practicing regularly, they were nervous but incredibly excited to perform on stage before a lively and supportive audience. We are extremely proud of the children of St Bede's who took part in this years competition. The children were fantastic and represented St Bede's with pride. Thank you to Miss Robinson and all of the children in the choir for all your hard work!
