OUR AIMS

St Bede's aims to create a vibrant, inclusive, and enriching music opportunities that nurtures the musical abilities of all children, promotes creativity, builds confidence and contributes to their overall cognitive, emotional and social development.

WHAT HAS BEEN GOING ON?

In **Early Years**, the children have been exploring a range of musical instruments! We have been discussing the names of the different instruments and used our instruments to perform to an audience!

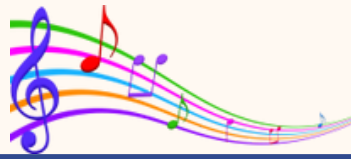

Early Years have also made their own instruments from recycled materials!

In **Key Stage 1**, the children have been learning to find the beat in a song and clap along. They have also enjoyed some music outdoors!

SCAN TO SING ALONG

We are very excited to be taking part in the Annual Mayors song contest 2025! The contest brings schools from across Darlington together, each singing a song around a theme and representing their school with pride.

Auditions for the song contest took place on Tuesday.

St Bede's will be performing:

'Chim Chim Cher-ee' - Mary Poppins

The contest will take place 7th March 2025
