## OUR AIMS

THROUGH OUR GEOGRAPHY CURRICULUM, WE STRIVE TO CREATE OPPORTUNITIES FOR CHILDREN TO EXPLORE, APPRECIATE AND UNDERSTAND THE WORLD IN WHICH WE LIVE. THROUGH HIGH-QUALITY GEOGRAPHY TEACHING, WE HOPE TO INSTIL IN OUR PUPILS A LIFE-LONG, FACTUAL KNOWLEDGE ABOUT THE WORLD AND THEIR PLACE IN IT, EQUIPPING CHILDREN FOR THE FUTURE.

## OUR CURRICULUM THIS TERM

KS1	Exploring the World
LKS2	Angry Earth
UKS2	Japanese Tsunami

This term in **Early Years**, children have been focusing on their topic 'All Around the World'. They have learnt about all of the continents and sang the continent song. Here are some photos from when nursery learnt about Mexico and tasted Mexican food! They also looked at Antarctica exploring an icy tuff tray and Australia making some aboriginal art!

SPRING TERM

## WHAT HAS BEEN GOING ON?

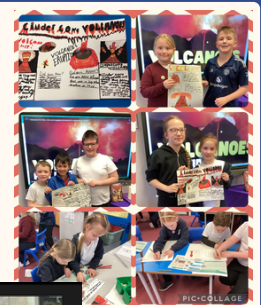

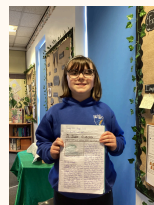

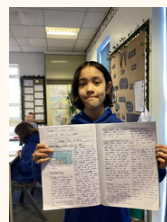

In **KS1**, children have been learning about the different types of weather and climate. They have been pretending to be weather reporters and explain the different kinds of weather we have in the U.K!

In **Years 3 and 4**, children have been learning all about volcanoes in their topic 'Angry Earth'.

They have researched information about different types of volcanoes and created amazing, informative posters!

A huge thank you to Year 3/4 who delivered a wonderful assembly on this topic!

In **Years 5 and 6**, children have been learning all about the Japanese Tsunami in 2011. They have created newspaper reports, fabulous projects and Year 5/6 even delivered an assembly on the topic!

## GEOGRAPHY IN THE NEWS!

If we want to keep our planet clean and safe for years to come, we need to reduce the amount of pollution we produce and fight against climate change. That's why on Earth Day, over a billion people take part in activities to make the world a healthier place — from conferences and street marches, to art displays and beach clean-ups!
