BOOK AMNESTY

Every year we spend around £6k on reading books for our school. Many of these books are taken home and never returned. As a school we are unable to continue to cover this mounting cost and may have to consider raising a charge for missing books.

Could we please ask parents to check at home for any school reading books and return them to the school office.

Please don't feel embarrassed to return them, even if you have acquired quite a lot. We appreciate all the parents who have taken the time to return.

This Week to celebrate!

We are delighted to announce that we have achieved the School Games GOLD Mark Award for the 2023/24 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

A special thanks to **Miss Anderson** for all her hard work in helping us achieve this for our school!
