## Let's Learn Moor!

Year 5 had a fantastic day in the North Pennine Moorlands!

Let's learn moor is an Upland's education program teaching children about farming and conservation in the uplands, the importance of peat, the work of the emergency services and other aspects of upland life and moorland management.

Y5 immersed themselves in many hands-on activities including hunting with working dogs, learning about sheep farming, trying venison sausage rolls and even becoming fire fighters!

## And coming soon...

- **Wednesday 17th July** - Y6 Leavers Presentation followed by their Celebration of Uniqueness & Talent
- **Friday 19th July** - School Awards Ceremony (children only, please look out for photos on Facebook)
- **Friday 19th July** - Last day of term

## This Week to celebrate!

A fantastic display of skills from the Y5/6 boys this week in the Champion of Champions Tournament!

We started off with an unlucky 1-0 loss against Mowden in a very close game. A stand out performance from Ollie who played great at the back. Next up we managed an impressive 2-0 victory against St George's who had a very strong team. Fantastic performances from all the boys, but special credit to Jake and Bobby who controlled the game in midfield. Finally we finished with another 2-0 victory showcasing some of the best goalkeeping performances of the tournament from Ethan, pulling off some spectacular saves.

We finished the tournament second overall. A great result for St Bede's!
