## Our new Deputy Head Teacher

I would like to take this opportunity to introduce myself to you and to tell you how excited I am to be joining the St Bede's family!

My name is Marie-Louise Peacock and I will be the interim Deputy Head in September supporting Miss Cuff.

I am an experienced Deputy Head from another school within our Trust and I am looking forward to getting to know you all and supporting your children.

I am an experienced Special Educational Needs Co-Ordinator and a qualified mental health lead. I am really looking forward to this new opportunity in this wonderful school.

>Welcome!

# Big Sheep Little Cow

Year 2 had the most amazing time at Big Sheep Little Cow.

The children were so brave when holding snakes, rats, cockroaches and more!

They had a brilliant time on the quad bikes and in the soft play. We fed the lambs and got to learn so much about all the different animals there on the farm.

We didn't let a (not so little) bit of rain stop us from having fun! Well done Year 2!

## Farewell from Mrs Wilson

In my final days before I retire, I want to express how much I have enjoyed my short time with St Bede's.

We have enjoyed a whole host of achievements and made great academic progress this year. Challenges have been faced head on, and we emerge a stronger and happier, school community.

I cannot commend the staff enough for their hard work, dedication and love of the school and the children. They strive to make the experiences for your children the best they can be.

The children are a delight and a credit to you, their parents and carers. I look forward to hearing all about their successes in the future.

It has been a pleasure and a privilege to be your head teacher. While I do feel very sad to be leaving, I know I am leaving my St Bede's family in the safe hands of Miss Cuff. I know that under her leadership, St Bede's Primary School will continue to go from strength to strength. I wish her and all members of the school community every success for the future!
