Rainbow writing: Colour your words in different colours

A simple illustration of a rainbow with seven distinct color bands (violet, indigo, blue, green, yellow, orange, red) arching over two white, fluffy clouds. The clouds are positioned at the ends of the rainbow's arc.

ABC order: Write your words in  
abc order

Three large, colorful cartoon letters are displayed in the center of the page. The letter 'A' is blue, 'B' is green, and 'C' is red. Each letter has a simple face with two large, round eyes and a small, curved mouth, giving them a friendly appearance. They are arranged horizontally in the order A, B, C.

Write your words in a sentence. It can be silly or sensible!

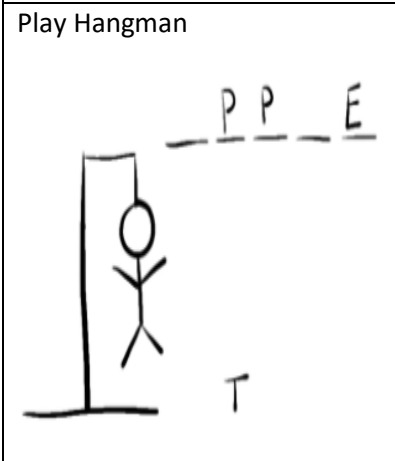

A cartoon illustration of a pink, spotted alien. It has a round, pink body with several yellow spots. It has two large, round eyes with black pupils and white highlights. It has two long, thin antennae extending from its head. It has four short, thick legs. The alien is standing on a white background.

Shape it!

The word "shape" is displayed in a stylized font where each letter is composed of one or more overlapping squares. The 's' is made of two squares, 'h' of two, 'a' of two, 'p' of two, and 'e' of two. The squares are arranged to form the letters, with some overlapping to create a cohesive word.
