## Best Class Attendance:

**Seahorses 98%**

The Under 11 girls football team played 2 league games last night and in 2 competitive matches they were unfortunate to lose both games. The girls showed good determination and some great defensive tackling in cold conditions.

Thank you to the parents who came to support and to Lesley for providing the hot Vimto to keep everyone warm.

Please note that training starts again for girls in Years 4, 5 and 6 on Thursday 22<sup>nd</sup> January. If girls want to represent the school football team, then they need to consistently attend training sessions.

Thank You,  
Naomi

## Gospel of the week:

Matthew 3 13-17

Jesus, even though He's God's Son and sinless, got baptized by John the Baptist to show He was doing what God wanted, identifying with people, and setting an example.
