Football News

Last night the under 11 girl's football team played 4 matches back-to-back in freezing cold conditions and won all 4 games, scoring 8 and conceding 0. The girls played some lovely football, good passing and some great goals. Well done to all the girls who have represented the school over the last few weeks and thank you to all the parents who came to watch in the freezing cold.

The children in Year 2 had a lovely zoom meeting with bat expert Professor Fiona Mathews who showed them a real bat and told them lots of interesting facts. She was very impressed by all their questions.

Number Day - Friday 6th February

Donations can be made on Arbor School Shop. The money will then be sent directly to the NSPCC. Children can wear something with a number on (football kits are acceptable) or come in dressed as a Times Table Rockstar!! The children will enjoy a full day of fun maths activities!!

Gospel of the week

Matthew 4: 12-23

Jesus calling ordinary people, like fishermen, to leave their jobs and follow Him, promising to make them "fishers of people" – meaning they would help others find God's love and kingdom.
