Sports News

Football

On Monday, the Under 8 girls football team played their first games together as a team. We have had 1 training session and some of the girls have not played before. They represented school admirably, showing great determination, resilience and sportsmanship. We are very proud of them.

Children Leaving Early

To minimise disruption to learning, children should remain in school until the end of the school day. If a child needs to be collected early for a medical or essential appointment, please provide proof of the appointment in advance.

Gospel John 9 1-41

If your thoughts and your actions are focused on yourself, it's hard to have a "vision" or see outside your own little problems and needs. You might be able to look at things with your eyes, but you'll be "blinded" to what God is doing, or to the things other people need and are doing.
