ACCESS TO INFORMATION POLICY

St. Bernard's Nursery holds written information & records relating to its members. This information is used to assist the school in the management of personal records & is treated as confidential by those members of staff who have a legitimate right to use it. Access to records is sought through permission of the Headteacher & is shared with the school, held in the office.

The type of information required by the club & kept by them includes:

Name, date of birth, address & telephone numbers of contacts

Name of parents / carers

Records of 2 emergency contact names & telephone numbers

The name & address of the child's doctor & details of any special medical conditions or dietary needs which need to be known to the club

Permission is also sought to seek urgent medical (999) treatment for the child during club hours

Confirmation that a child can / cannot have photographs taken during nursery hours

This information is contained in the nursery's data form which all parents / carers must complete when registering the child. In order that records are kept up to date & accurate, parents are requested to ensure that any change in their child's personal details are known to the school as soon as they occur.
