

# Weekly News

Thank you to everyone who has booked a Parents' Evening appointment so far - Years 1 - 6 is on Tuesday & will be over the phone & Year R is on Tuesday 4<sup>th</sup> & Wednesday 5<sup>th</sup> May; "face to face".

We have had a request from our neighbours to take care on the roads & respect them when they are arriving & leaving their homes. It does get busy around school so please have patience - if you are in a rush it may be quicker to park away from school. Please ensure your speed is kept at a minimum around the local roads & when parking across the pavement be aware of pedestrians. A reminder that you can park on the Pig & Whistle at drop off & collection times to avoid the traffic around school. Thank you

From next week toast will only be available if paid for in advance for the half term. This half term is due by Monday & will be £5.00. We will accept cash in the office on this day only. Hopefully this will reduce the amount of cash handled in school. Thank you

It is so lovely to be able to spend time with people outside again and to be moving towards more restrictions being lifted. Obviously it is important that we continue to follow the rules and hopefully we will soon see even more restrictions being lifted. We are hoping that after the half term we will be able to hold some school events - sports day, class assemblies, summer fun day etc. It makes me smile just to think about it.

God bless. Mia Barlow
