

Personal, Social and Emotional Development

Through our work on different celebrations, to have a developing respect for their own cultures and beliefs, and the cultures and beliefs of other people. To begin to understand that people have different needs, views, cultures and beliefs, which need to be treated with respect, and understand that they can expect others to treat their needs, views, cultures and beliefs with respect.

To continue to be interested, excited and motivated to learn.

Expressive arts and design

Polar bears using cotton wool and card. Collage a picture of an Inuit using various materials. Make a leaf dish out of clay and decorate it for Christmas. Diwali - paper lanterns. Singing - Christmas play songs Weather paintings - frosty/snowy/icy weather Role play - igloo and various items in it. Christmas cards, stocking, trees and colourings.

Understanding the World

Discuss the difference between Arctic and the Antarctica. Talk about cold places and different animals that live there. Experiment with ice etc. Talk about Scott of the Antarctica. Work based on Inuit's, polar bears and penguins. Look at maps and see where the countries are. Discuss different clothes for different seasons. Experiment to see which materials are waterproof etc.
