

Homework in the Dolphins Class.

At the start of the year the children are given an exercise book to fill in their Wow moments weekly, things such as their first swimming lesson, a walk to the park etc.

Parents can help the children to record these moments by helping with pictures or early writing in their book. These examples are photocopied and placed in the children's files at school.

Homework is not sent home weekly, however, the children are encouraged to read their reading books regularly and practice their phonics. Occasionally children are asked to complete a maths challenge or practice writing their name as an additional piece of homework.

Each half term the children receive a maths challenge sheet, a phonics worksheet and some literacy based homework to complete. It will be based on the work completed the previous half term in school.
