Online Safety

Thanks to those parents who attended our online safety event. It was very informative and we all learnt so much about how to help keep our children and us safe online.

At times we were quite shocked by some of the hidden dangers and manipulation.

I wish more parents had been able to attend as online safety is such an important issue in our lives.

We will be sending out some more information about useful websites to look at and talk to your children about.

Other info:

Attached with this newsletter is a survey that LCC would like parents to complete regarding "wraparound care". *"We need as many parents/carers to respond, even if they already access wraparound childcare. The information will help us understand families demand and direct the governments capital and revenue funding provided for schools to expand or create wraparound provision supporting families in Lancashire".* Thank you

Congratulations to Jessica Black who has won £28 in our February 100 Club draw.
