Reception class had a lovely time visiting Savick library. They met the librarian and learnt a lot about how librarians help us!

Regarding the new statutory curriculum subject, **Relationship and Health Education**, we are pleased to let you know that our school has decided to adopt the programme, **Life to the Full**, produced by the Catholic Educational Organisation, Ten Ten Resources.

The **Life to the Full** programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. This model curriculum was highlighted as a work of good practice by the Department of Education so we therefore have confidence that the programme will be fit for purpose in supporting the growth and development of your child.

There is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. The school will also provide an overview of the structure and content the programme, all these details will follow later on this term.
