Please keep in your thoughts & prayers our children who are making their First Holy Communion on Sunday.

The After School had a great Jubilee celebration yesterday – photos are on our APP & Website. They made great use of our new curriculum outside learning area which has been recently created. It's a fantastic space & as we would like to ensure it is looked after please do not let your children play in it before or after school. Thank you for your understanding & a massive thank you to Lesley, our site supervisor & Mrs. Eccles who spent hours creating the new outside area.

Next Thursday is our Jubilee Celebration Day. Children and adults are invited to wear red, white and blue or come dressed as royalty.

We will be having our Jubilee lunch outside (weather permitting) a variety of activities during the day including dancing displays. All our classes as part of Design Technology are designing and making puddings "fit for a Queen". These puddings will be eaten during the day and a sample of each provided for our judges. Each class will be learning about an aspect from one of the 7 decades that the Queen has been the Monarch.

Congratulations to Queen Elizabeth on her 70 years reign. As this is such an incredible occasion each child will be given a memento.
