Road Safety

This term our reception class children have taken part in Lancashire County Councils' Stage 1 Right Start Child Pedestrian Training Programme. This Programme teaches your children how to keep themselves safe when out and about in the traffic environment and to apply the rules of the Green Cross Code every time they cross a road. They have been taught how important it is that they: **Think** – is this the safest place to cross the road? **Stop** - with their feet back from the kerb, which gives them time to Look and Listen. **Look** - for any vehicles that might be coming on the road – remember, children of this age are unable to judge speed and distance. **Listen** - for vehicles. They may hear something before they can see it – remind them though, that electric cars make very little noise. **Think again** – have they followed the rules, and will they keep Looking and Listening the whole time they are crossing the road? They have also been reminded to play in a safe place away from traffic and to wear or carry something bright so they can be seen at the roadside by other road users. **Please can you continue to reinforce these messages when out and about with your children.**

The children who are starting school in September had a lovely morning this week with Miss Cooper – reminder - "meet the teacher" next Wednesday for parents.

Gospel of the Week Gospel Mark 4:

26-34

Just like a plant grows when it has water, soil, and sunlight, there are things in us - like love, peace, and kindness - that grow when we pray, talk about the Bible stories and participate in worship..

Sports News. This week, nine of our year 6 pupils took part in the pool stages of the Rounders league. They won all 3 of their pool games and for the first time since this competition began we are through to the Rounders final. The children had great fun and showed great team work during the afternoon.

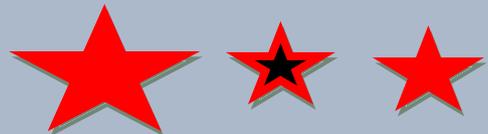

Next Thursday is our Table Top Sale - we unfortunately haven't sold many tables but we welcome donations of pre-loved goods that we can sell for school funds. If you can bring these on Wednesday morning that would be great - toys, clothes, crafts, books etc. School staff will oversee these stalls.

Don't forget cash when you collect your children in case you see a bargain!!!
