

Weekly News

Due to the rising cases of Covid in the area and the closure of bubbles in our own school and others, we have had to take the decision to not hold any events with parents in school over the next few weeks.

This means that we will not be able to hold any sports days or leaver's events with parents in school.

This decision has not been taken lightly and we have followed all advice provided.

Miss Mooney hopes to be able to record some videos with Year 6 as they did last year so that parents can at least watch their children taking part in leaver's activities. But of course this is dependent on being able to keep the Year 6 bubble open when they return to school.

Please, please follow all the isolation rule around contact with positive cases - this increases our chance of keeping our classes open until the end of term. Advice received from Lancashire County Council today, is for parents/carers to encourage taking their child for a PCR test if they have been in close contact with someone who has tested positive, so we are asking you to consider this. This can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.

We have welcomed back our children from Dolphins, Sharks, Leopards, Lions & Nursery today & look forward to welcoming back our Bears & Penguin classes on Monday & Tigers children on Friday.

100 Club

Our telephone system has recently changed. When you call you will receive a message asking you to select the "office" or our "nursery".

Congratulations to our June winners - Mrs. M. Barlow £28 & Miss R. Jenkinson £5

We are sharing "good news" so if you have any please upload to our APP.

Summer Reading Challenge

This year things are being done slightly differently, as shown in the video link.

<https://my.nicheacademy.com/lancashirereadingjourney/course/31808>

The Summer Reading Challenge, SCART, starts Saturday 26th June and this year will run right through until October. Hopefully they will have the opportunity to deliver some family sessions as the year progresses. The children can come and collect their resources from the library and collect 'pop badges' as they progress through the tasks. Currently they are not offering any family sessions for children to complete the tasks in the library. This is being kept under review.

Savick Library is currently open at Preston West Children's Centre on the site of Ashton Primary School Monday, Wednesday and Friday 1.30pm - 4:30 pm
