Good morning St. Bernard's. Good morning Lions, Tigers, Leopards, Bears, Penguins, Sharks, Seahorses, Dolphins and Ducklings.

If we were in school and had our celebration assembly - it would have been one of my favourites.

We would have gathered together listening to a reflection song with images called 'Whatsoever you do'

You would all have come in perfectly (because you always do) and I would have thanked you all for wearing your badges with pride - and my heart would have smiled.

Then we would have looked at some very expensive things and then some not so expensive or even free things. We would have talked about the real value of something. We probably would have agreed that some items that cost very little can be more valuable to you than expensive things.

We would have shared the Gospel Reading. It was the one about the Sparrows. In Jesus' time you could buy two sparrows for a penny. God knows all about the sparrows and cares for them, even though they are so cheap to buy. God says that we are worth more than hundreds of sparrows. God must love us very much! God knows us so well that God has counted every hair on our heads. We need never to be afraid.

Then we would have reminded ourselves that we are all precious in God's eyes - that it is our school motto. We would have sung our school song -More than many sparrows.

We would have left the hall for playtime BUT it would have been wet play today!

Some of our family are back in school, but many are not until September. Whether you are at home or in school please remind yourself that you are so so precious to me - but even more important you are so so so so precious in God's eyes.

Sending you and your family lots of love.
Keep singing, keep praying, keep smiling and keep learning.
God bless you all.

Our Nursery has places available for September if you have children who have already turned 3 or are about to turn 3. We accept funded hours (15 & 30) & are open from 7:30 am through to 6:00 pm. For more information contact Mrs. Mac or Miss Covell. Please share with your friends & family. Thank you.

We asked you to stay in touch....

We love getting your pictures of things your children are doing at home - please keep sending them in.

Dominic has been camping out in the garden in our new tent. Practicing for when we can go away properly in it.

His Grandpa also bought Dominic a den. He has wanted a tree house for ages so this was then next best thing and he helped daddy and grandpa build it.

Holly has been back to football training & is loving it!

Teddy has learnt to ride her bike. Well done!

Congratulations to Mrs. Stevenson who has won our 100 club this month £28.

She has also been taking part in a Zoom meeting with some of the children in Nursery & Dolphins who are in school & those who are at home
