School closes for Summer at 1:30 pm

Water in Classes

As we look ahead to the new school year, we are introducing a new initiative to support hydration, reduce waste, and promote consistency across our school community.

From the start of the new year, we will be asking all children to buy a **school water bottle**, which we kindly ask all students to use during the school day. These bottles are durable, easy to clean, and designed to support healthy hydration habits in the classroom and during outdoor activities. **The branded bottles will cost £2, & can be purchased through the office or on Arbor. Once we have received them we will send them out.**

We believe this change will help streamline routines, avoid lost or mismatched bottles, and ensure that all children have regular access to water throughout the day.

Thank you for your continued support. If you have any questions or concerns, please don't hesitate to get in touch.

Holy Communion

We are so proud of each and every one of our children who received their First Holy Communion last Sunday. This special step in their faith journey is a beautiful reminder of God's love, and we celebrate their commitment, courage, and joy.

May the light of Christ continue to shine brightly in your hearts, guiding you with peace, kindness, and strength as you grow in faith and love.

- your school family is incredibly proud of you!

Gospel of the week

Luke 9:11-17

It describes the miracle of Jesus feeding the five thousand, where he miraculously multiplies five loaves of bread and two fish to feed a large crowd.

The passage shows the importance of trusting in God's provision and sharing what we have.
