

*Leopards class topic web*  
*Spring Term –Ancient Egypt, Plants and Living Things*

We will be looking at the history of Ancient Egypt and its importance to us today.

PSHE – SEAL unit

History – Ancient Egypt

PE – Dance, Striking and Fielding

RE - The Way, The Truth and The Light

Geography – We will be using maps to locate Egypt and looking at how physically Egypt has changed today. We will also be exploring the importance of the River Nile.

Music – Linked with literacy and topic work

*Year 4*  
*Ancient Egypt, Plants and Living Things*

ICT – E-Safety and Digital Research

DT – linked to topic work

ICT will be used to enhance and research topic work. We will also be learning how to ensure that we are safe when online.

Science – Classification, Plants and Habitats

Art – Egyptian Gods and Goddesses

We will be designing and making our own Ancient Egyptian artefact.

We will be learning how to classify living animals as well as exploring plants, habitats and food chains.

We will link our art to our topic work exploring the Egyptian Afterlife, Gods and Goddesses through art.
