

Year 6

Spring

We will investigate the history of the Vikings – how they invaded and settled, their daily life, their culture and worship.

We will investigate the reasons why groups of people settled where they did, the uses of land etc.

We will be designing and making shields, Viking settlements, Viking longships.

We will link our art to our topic work on the Vikings – looking at art and design from this period.

ICT will be used to enhance and research topic work.
