Europe – linked to invasion and trade routes

Music –
Performance – linked to our end of year show

ICT – Multimedia Presentations, research

Science -
Living things and their habitats
Life cycles
Food chains

Art –
Pop art
Banksy

DT

Using our Literacy work as a basis, we will study WW2 – causes, the rise of the Nazis, the holocaust.

We will investigate the reasons why groups of people settled where they did, the uses of land etc.

Differences in landscapes.

We will be designing and making shields, Viking settlements, Viking longships.

Air raid shelters

ICT will be used to enhance and research topic work.

We will link our art to our topic work on the Vikings – looking at art and design from this period.
