Congratulations to all our year 6 children who have been amazing this week. They have had some challenging times in the SATS but their positive attitudes, perseverance, resilience and determination was incredible to see. They ended the week with a celebration party! We are so proud of them all. Thanks to all our year 6 staff for their love, care, support, high expectations and hard work helping the children prepare for the SATS. I feel that the skills shown by our children this week are a much better indicator of achievement than any SATS papers can show. Fly high year 6.

Our Young Senior Leaders recently chose a new Cross for our entrance area. They will present it to the school as part of their legacy. We will let you know when it arrives.

Our Year 2 children will be completing their SATS tests next week – we wish them good luck and know they will be brilliant too.

Our Nursery is starting to fill up for next academic year – if you wish your child to attend please contact school & complete a registration form so your sessions can be agreed.

Photos are on our school website from our recent Easter & Coronation parties that took place in after school club.
